

Section 175

Law
enforcement.

A separate agreement, which shall come into effect simultaneously with this Compact, shall be concluded between the Government of the United States and the Governments of the Marshall Islands and the Federated States of Micronesia regarding mutual assistance and cooperation in law enforcement matters including the pursuit, capture, imprisonment and extradition of fugitives from justice and the transfer of prisoners. The separate agreement shall have the force of law. In the United States, the laws of the United States governing international extradition, including 18 U.S.C. 3184, 3186 and 3188-3195, shall be applicable to the extradition of fugitives under the separate agreement, and the laws of the United States governing the transfer of prisoners, including 18 U.S.C. 4100-4115, shall be applicable to the transfer of prisoners under the separate agreement.

Section 176

The Governments of the Marshall Islands and the Federated States of Micronesia confirm that final judgments in civil cases rendered by any court of the Trust Territory of the Pacific Islands shall continue in full force and effect, subject to the constitutional power of the courts of the Marshall Islands and the Federated States of Micronesia to grant relief from judgments in appropriate cases.

Section 177

(a) The Government of the United States accepts the responsibility for compensation owing to citizens of the Marshall Islands, or the Federated States of Micronesia (or Palau) for loss or damage to property and person of the citizens of the Marshall Islands, or the Federated States of Micronesia, resulting from the nuclear testing program which the Government of the United States conducted in the Northern Marshall Islands between June 30, 1946, and August 18, 1958.

Claims.

(b) The Government of the United States and the Government of the Marshall Islands shall set forth in a separate agreement provisions for the just and adequate settlement of all such claims which have arisen in regard to the Marshall Islands and its citizens and which have not as yet been compensated or which in the future may arise, for the continued administration by the Government of the United States of direct radiation related medical surveillance and treatment programs and radiological monitoring activities and for such additional programs and activities as may be mutually agreed, and for the assumption by the Government of the Marshall Islands of responsibility for enforcement of limitations on the utilization of affected areas developed in cooperation with the Government of the United States and for the assistance by the Government of the United States in the exercise of such responsibility as may be mutually agreed. This separate agreement shall come into effect simultaneously with this Compact and shall remain in effect in accordance with its own terms.

Grants.

(c) The Government of the United States shall provide to the Government of the Marshall Islands, on a grant basis, the amount of \$150 million to be paid and distributed in accordance with the separate agreement referred to in this Section, and shall provide the services and programs set forth in this separate agreement, the language of which is incorporated into this Compact.
